## Quiz #8: War Between the Greeks

1. Did Sparta win the Peloponnesian War, or did Athens lose it? Explain using examples either of what Spartans did right, or of what Athenians did wrong, that resulted in the Spartan victory.
2. How did the Plague affect Athens? What impacts did it have on the war?

EC1. All of the following are true about Alcibiades EXCEPT:

- (a) Handsome, charming, and pleasure-seeking, he was eagerly courted by men and women alike
- (b) He advocated expanding the empire to defeat Sparta, leading to the Sicilian Expedition
- (c) He returned to Athens after the war and opened a successful brothel
- (d) Recalled from the war to stand trial for heresy, he slipped off and defected to Sparta

EC2. In your opinion, which city is most to blame for the Peloponnesian War? Explain and give examples.
