**WHAT IS LEADERSHIP? WHERE DOES IT SHOW UP?**

 Leadership is a practical skill which encompasses the ability to lead an individual, a group, or organization or influence/guide other individuals, teams, or entire organizations with a purpose.

 It's important in both college and the workforce, for example (Group projects in both college and work, guiding projects yourself, working in a team, managing your own team.)

 **WHY DOES IT MATTER/WHAT DOES IT MEAN TO ME**

LEADERSHIP MATTERS FOR MANY REASONS FOR EXAMPLE WORKPLACES NEED LEADERS THAT CAN BRING IN THESE SKILLS TO THE WORKPLACE

IMPROVE MORALE

- MOTIVATION
- PROBLEM SOLVING AND DECISION MAKING
- IMPROVES COMMUNICATION
- HELPING OTHERS FLOURISH AND REACH THEIR GOALS

IT CAN ALSO MATTER SOCIALLY! THESE SKILLS CAN BE TRANSFERABLE, AND YOU CAN TAKE INITIATIVE WITH YOUR FRIENDSHIPS TO HELP FOSTER MORE/MAKE THEM GROW.

ALL THESE RESOURCES GREATLY HELPED ME IN MY CURRENT JOB
